Soffio is an organic white wine made from Soreli and Sauvignon Kretos, two disease-resistant grape varieties that reflect our commitment to caring for the environment.

This white blend brings together the two resistant varieties, Soreli and Sauvignon Kretos.

Twelve months of ageing in French oak barriques give the wine a broad, complex bouquet, with notes of ripe fruit and toasted bread.

The palate is elegant, with a long finish. It pairs well with fish dishes, white meats and medium-aged cheeses.
